The 13th Annual International Academic Association on Planning, Law, and Property Rights Conference will be held 18 – 23 February 2019 at Texas A&M University in College Station, Texas. The event will be hosted by the Texas A&M College of Architecture.

Though some conference sessions will explore themes related to the impact of natural hazards and climate change on cities across the globe, papers are not required to address the conference theme. Submitted papers should, however, present interdisciplinary work at the intersection of planning, law, and/or property rights, on topics like environmental law, land use law, transportation planning and sustainable development.

- ▶ Abstract submissions are due by 1 October, 2018.
- ▶ Presenters will be notified of acceptance by 1 Nov. 2018.
- ▶ See conference website: plpr2019.arch.tamu.edu
